June 1996 - after 1<sup>st</sup> Boat Ride (From my Testimony *The Spirit & the Bride* 5.5.1998). This was our very first night and I still have wonderful memories... The Lord gave me a glimpse into Bob's soul that was aching for true love. The next day I dressed in a yellow dress... about 1pm Bob comes in with a Purple Package containing a Yellow Rose. I joked: "Now I know you came to the window, so you could match the Rose to my dress". Bob told me that I touched his heart like not many people had touched his heart. After we chatted about boys and girls (he said that he had not found anybody he liked... ) he parted. At the close of the day, I saw him driving around the parking lot. I knew he was invited to a Wedding by one of his office workers. He looked really nice in a white shirt - all dressed up. I did not go out there to meet him. That night I went home with the Rose and my son Dean took a picture of the Rose in front of the JESUS Portrait in my Living Room and a Selfie of himself. The LORD had over-exposed the Blue Sky over the Face of JESUS and it looks like *JESUS IN THE CLOUDS*. (I repeat : "*JESUS in the CLOUDS*", although I did not realize the impact till July 1997...) That night I was restless and could not sleep. The LORD gave me a Dream : "*I AM TO BE YOUR NUMBER ONE!*" I decided to call Bob and find out whether he would go to Church with me if I asked him: "Absolutely!" was his answer. I had decided unless he came to Church with me, I would not go out with him again; especially since the message in Church that particular SUNDAY was the same: "*GOD HAS TO BE YOUR # ONE!*" The LORD doubled up immediately...
