

Thank you Father, I am so excited to be on the Air and talk about Eucharistic Adoration. That is my favorite time since 2000 when **GOD** told me about **IT**. It was back in 2000, that is **21 years** ago that the LORD told me after I attending daily AM Mass - **HE** said: **“One More Thing”!** I said **“What LORD”?** HE said : **“EUCHARISTIC ADORATION!”** I said : **“What is that”?** I had no clue, but I figured I will call the Church Office to find out. The receptionist said : **“We have Eucharistic Adoration from 4 - 9pm on Tuesday, which Hour would you like to take”?** Since the LORD told me about Eucharistic Adoration but I don't know what **IT** is, I said : **“4 – 9”**. There was silence on the phone so I thought I made a mistake, I am asking for something I am not allowed. So I asked : **“Am I not allowed”?** She answered: **“No, it's ok. Well nobody ever wanted to take 5 hours”**. So I said **“I'll take 4 – 9”** still not knowing what **IT** was. So on Tuesday I show up in the St. John Paul II Chapel and find out that we sit in FRONT of the LORD. After my 5 hours - I loved it - I asked if I can tell people about it? There were 6 people who attended; I was the 7th person. So I spoke to people about **IT** and within 3 weeks we had 21 people. So I go to Deacon Tim, all excited to tell him that we have now 21 people in Eucharistic Adoration. He looks at me & says in a very stern voice : **“The LORD will release you into a different Ministry when you have 200!”** By that time I knew that 200 would be Perpetual Adoration so I have to ask more people, make bigger packets to invite them... But you know when one is really excited about Eucharistic Adoration, the evil one wants to knock you off the feet, so instead of getting more people & more hours, the hours were cut down to 3 hrs, and changed to 2 - 5pm in an effort to get rid of me. This is not a joke. This is the TRUTH. So I would attend the 3 Hours, taking off work, and guess what – 9/11 happened. It was a Tuesday. So immediately I went to the Church office at noon and asked them to open up the Church to pray and to get more hours. Can we have more Eucharistic Adoration Hours? We need to PRAY. Then slowly the hours were increased to 6 hrs, then more hours & days were added, Mon. Tues. Thurs, & Fridays), but in 2017 my Hours were cut down again – I went to my Priest and asked him please DO NOT cut down my hours. But my hours were reduced; so the LORD said to me to go down to the Cathedral – **“They have 24 Hours of Eucharistic Adoration”** – (that was on 3.25.2017) – Thus I drive to the Cathedral in St. Paul; I arrive just before 1 AM Saturday morning. I have to work the next day; I was just going to stay in the Cathedral all night and then go to work in the morning. I also heard about the Eucharistic Adoration Promotion on the RADIO, so I expected to see 20, 30, 40 people but when I got to the Cathedral, there was just a few adorers. So I felt sad and said : **“LORD I AM SO SORRY, YOU ARE SO ALONE ON THE ALTAR”**. Then I thought I am going to write a note to Archbishop Hebda, whom I had never met; after prayers and writing, it is now about 4:30AM. I was getting ready for confession. I did not know who to give the letter to, so I just went to confession at 5:30AM and asked **“What is your name, Father?”** The Answer: **“Archbishop Hebda!”** I did not know what to say. I froze. So he said again : **“Archbishop Hebda”...** Holding the envelope, I said to him: **“I wrote this to you”**, handing him the envelope, and said : **“Can I do confession, and can we have a talk afterwards”?** We had a half hour conversation, it was a totally GOD inspired meeting and I have seen him periodically since then. And what you just said earlier, about Mother Teresa how she did One Hour of Eucharistic Adoration after daily Mass, every single day, I have been asking for that for 21 YEARS. Can you just put this on the AIR because GOD wants to change the WORLD, not just America, but the WORLD. If every Parish has just One Hour of Eucharistic Adoration after daily Mass – it would change the World – Can you put this on the Air? It would not only change America, but it would change the WORLD if every Parish had One Hour of Eucharistic Adoration Every Day Around the World. – Well Monique, you just said IT on the AIR in a very beautiful way you know – Thank you for your DEVOTION. Thank you for your Persistence. It sounds like you are having a long wonderful Relationship with Adoration, sometimes it has been respected by others in your Parish, sometimes not, but it has led up to this beautiful Relationship with Archbishop Hebda. Thank you for your persistence and your example and your inspiration and I am glad that you shared this message. And everybody heard that now to have One Hour of Eucharistic Adoration right after Mass. (They continue talking among themselves on the Radio) **“Yes Monique, great story thanks for joining us”**. She brings up such a beautiful point& she is probably right That if every Church would have an Hour of Adoration after Mass it would change the WORLD. I think the point that Adoration can change our world, can change my world as I am praying in front of the Blessed Sacrament. It can change every Person & that changes the World. **(CHANGE IS COMING –starting 2.28.2021 PURIM!)**
